Contact one of our Trustees for details:

Anne: *01246 568308 anne.farrow@oldbramptonchurch.org.uk*

The schoolroom approach allows easy delivery of items and, for the event itself, parking for up to 10 cars.

In the following photos, you'll see the room laid out for 22 seated plus 2 x tables for serving – but there are additional tables and chairs which can be arranged to suit your needs.

The centrally heated accommodation is full of light thanks to the high windows to the southern aspect.

A length of low cupboards along the Western wall provides a suitable surface for a buffet or presentation display (with suitable covering material).

There are ample tables which can be configured to your desired layout.

Seating can be a mixture of padded chairs as shown (22) and plastic stacking chairs up to the maximum room capacity of 50.

The floor to the main room is carpeted throughout.

There are well equipped kitchen facilities:

Two cookers,
microwave,
toaster,
kettles,
hot water boiler
and
refrigerator.

Assorted crockery
and cutlery.

There's a new addition – a manually operated screen to the West wall which can be used for slide shows, videos etc.

And comfort facilities, all on the same level:

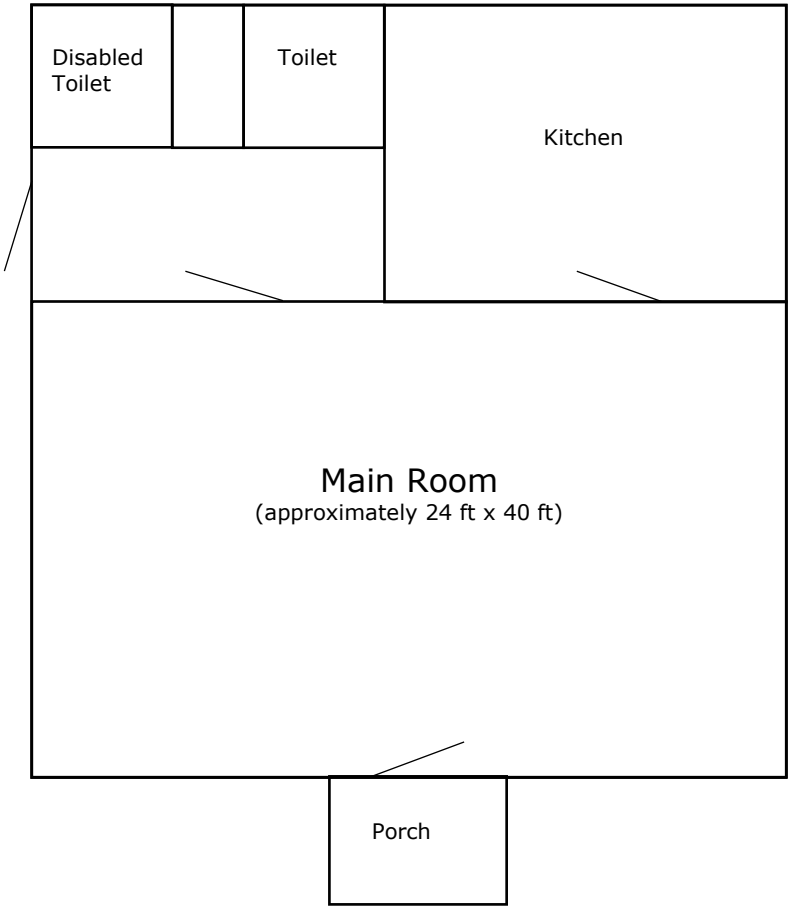

Two toilets, one suitable for disabled users also equipped with baby changing facilities.

Building layout:

Old Brampton Schoolroom

Ideal
for
parties and meetings

Please note:

Only Support and Assistance Dogs are allowed in the schoolroom building.

The Schoolroom is run by a charitable trust whose 3 trustees are the Churchwardens and Vicar of the Church of St. Peter & St Paul, Old Brampton, Chesterfield
